Matters Arising

- Tithe map: discussion deferred
- Finger post: J.Brookes reported that the manufacturer has asked for a photograph of the post and will need the size of the collar to quote a price. G.Osborne reported that whilst the “finger” is cast the post is not original. It was agreed to approach County Highways once a price has been determined and suggest that the just finger be replaced.
- CALC: still awaiting application forms
- Boundary Commission consultation: A.Penhaul reported on the presentation he attended. Maps of the proposed boundaries suggested by PDC were studied. Council agreed to respond agreeing with the criteria concerning rural areas but feeling that 82 would be too few councillors to adequately represent the needs of all areas but that 164 would make for an unwieldy council.
- T & P Forum – Services costings it was agreed to study the figures and discuss at next meeting
- Donations policy - It was agreed that the Parish Council will not make donations to charities but will consider applications to support activities within the Parish/community
