Matters Arising It was observed that minutes for the meeting held 29th May 2006 had not been recorded. The chairman will so do. Lesley Swannell has taken on the role of Parish Clerk and will provide J.Gray with minutes and Agendas for Zennor website.

Mapboards and boxes: J.Pozzi displayed A4 copies of the map, which can be printed with transport information on reverse. A.Penhaul will get quotes for printing 1000 copies. Maps must be displayed to get funding. J.Swannell agreed to make temporary boxes for use while other options are explored by J.Brookes.

Planning No applications have been received but P.C. is aware that one has been put in for the Vicarage (capstone on gables). M.Hindley to check with Penwith and arrange meeting to discuss.

Finance Invoices received from J.Pozzi – expenses, J.Swannell – Paths, St Ives School – printing. M.Hindley will arrange for bank statement to be redirected to new clerk.

Parish Plan The survey has been delivered to all households in the Parish. A.Penhaul has made Draw tickets. Agreed cut off date for return of surveys should be 31st July. Draw to be made at September meeting of Parish Council. (J.Gray will hold archive copy).

Parish Paths J.Swannell reported that the annual cut is on-going. He is recording locations of both Japanese Knotweed and Himalayan Balsalm and is interested to receive reports of incidences of these ‘invasive’ species. The issue of crops obstructing the footpath was raised. M.Pilcher agreed to contact the farmer concerned. The sigh marking the field path and coast path to St Ives (on stone by the Village Hall) is worn out. J.Swannell will arrange for replacement.

Transport J.Pozzi recently attended Lands End Transport Forum and reported that the new Dial-a Ride system does not include Zennor. There is also a new ‘Transport to Treliske’ service for patients -£5 each way. Other transport officers attending were impressed by Zennor Parish Plan.

Correspondence Received from Penwith details of Planning Training Session (Local Development Framework) 19th July 2-4pm or 7-9pm. M.Hindley will attend.

A.O.B. Clerk to check whether the Town and Parish Forum still exists.
Sustainability appraisal passed on for further reading.
