### **Matters Arising**

- Airwave: A letter received from A.Golay was read to the meeting. The application from Airwave is to be considered by the Planning Committee on 7<sup>th</sup> July and is now, regretfully, recommended for approval. JB has thanked AG for his efforts on behalf of Zennor. Discussion of the PC's response led to a decision to write, with copy to Cllr Irene Bailey, repeating the PC's opposition to the current site. It was agreed that if Cornwall Council is minded to approve the application we should make every effort to obtain the site of least impact, ie within the trees. The Landowner is to be approached.
- Flooding – J.Lindfield reported on the very positive meeting with M.Peters from Highways, when works to be done were identified. Many of these have now been completed. Thanks were given to all those who contributed. A drainage map of the Parish has been requested.  
Uninsured Losses – JL exploring possible sources of funding.  
Letters from the Ramblers Assoc and A.George MP received. Current path closure situation was discussed.
