Any Other Business

- Airwave meeting: MH, AP & JB had attended. Only JB has received draft notes of the meeting. It was felt that the Police presentation was compelling. It seemed likely that the application would be refused on visual impact grounds. Their advisors having ruled out other technologies, Airwave agreed to look again at alternative sites, possibly within the trees. M.Hindley agreed to ask **“Is there anyone in the village who would consider having a mast on their land?”**
- Website: M.Hindley advised that he has prepared an update to the website but that as it is currently hosted by J.Gray, who will not allow access, a new host must be used. Agreed to pay £15 for this. Mermaid's Echo asked to include a request for any changes or additions by parishioners.
- MH has been asked by Cornish Studies Library for copies of the minute book CD's. Agreed to charge £10 per disc.
- JB advised that he will be unable to attend next 3 meetings as he will be on a course. He offered to resign but it was felt that he should remain on the PC
- Cllr Roy Mann announced that a grant for £931 has been made from his community fund to Zennor Gig Club.
