### Matters Arising

- Crops on path: M.Pilcher has made the farmer aware that the Parish Council has received complaints. J.Swannell will raise the matter at the next County Footpaths Seminar, suggesting that guidelines can be revised to include maize
- Errors on Map: J.Nankervis had advised of several errors, on inspection more were identified by council. It was agreed that these should be amended for the next print run, A.Penhaul to check cost for changes.
- Map boxes: Council approved of the boxes made by J.Swannell and favourable comments have been received from members of the public. Green boxes to be returned, hopefully cost to be deducted from original invoice.
- Map Leaflet Advertising: A.Penhaul advised that 1600 leaflets have been printed so far and a further 400 paid for. 2-300 per week are being put out at Zennor. A.Penhaul will forward invoices to Rural Transport to claim payment. It was agreed that no further printing, beyond the 400, be done this season and methods of funding for next summer (including further subsidy from Rural Transport and advertising) should be investigated

### Planning

- Application by C.Penhaul has been withdrawn
- Application by M.Hindley to be discussed at next meeting
- Application by C.Taylor – Bosvean: Mrs C. Catran presented the Council with details of the 1987 planning appeal which had been dismissed. After much discussion it was unanimously agreed that the application be opposed on the grounds that: the proposed roofline would be an intrusion on the landscape, the materials are not in keeping with a temporary structure but imply a more permanent dwelling, that it would be out of keeping with the village. Concerns were expressed about the dangerous access to the property, the lack of foul drainage assessment form, setting of a precedent, and the continued existence of a building described as having a life expectancy of 20 years in 1987.

**Parish Plan** A.Penhaul presented the results and preliminary Analysis of Survey which had 65% response. He will attend St Ives MCTi meeting Weds. 13<sup>th</sup> Sept. to present interim summary, drafted with J.Gray, for inclusion in the MCTi plan. J.Lindfield proposed a meeting with Delia Webb to discuss results. J.Gray to discuss presentation of data with her, and arrange a meeting.

**Draw** The winning number drawn was 194, (reserves 144 then 125)

**Finance** Invoices were received from J.Swannell for Footpath Maintenance, Map Boxes and replacement sign, and from A.Penhall for printing. Council agreed that these should be paid and invoices from Colin Fearon and Headland Printers as soon as possible.

Council agreed that the Contract for the Parish Clerk should be amended to read 222 hours at the current minimum wage (currently £5.05 rising to % .35 on 1<sup>st</sup> October 2006)

**Parish Paths** J.Swannell advised that due to the dry summer there remains availability in the budget for an Autumn/Winter cut on priority paths.
